

What is Netiquette?

Pointers to Netiquette guidelines

Understanding Netiquette is essential for Internet newbies, and can be very important for veterans, as a refresher. Please take a little time to read through some of the following material before beginning to post to our ROPA eList.

- Excellent and thorough, summary with chapters:
Netiquette Home Page - A service of Albion.com
- A quick read:
Phish.Net: Some Thought on Netiquette
- Long and comprehensive, interesting, with some history
RFC 1855: Netiquette Guidelines
